<i>30 000 shp Unitized Reheat Steam Turbine Propulsion.</i> Paper by T. B. Hutchison	April	109	<i>Aspects of the Mechanical Propulsion of Tugs.</i> Paper by C. R. Ford	January	12
Discussion	April	143	ASPINALL, J. W., KEYWORTH, R. O., and VAILE, P. E. B. Report of meeting for the presentation of <i>The Influence of Present Day Fuels and Lubricants on Marine Engineering Technique</i> to the West of England Branch	April	190
Author's Reply	April	172	Auckland Branch Annual Dinner and Dance	October	445
ADAM, J. E. P. Obituary	March	107	Auckland Branch Reports	September	406
ADAMS, J. K. Contribution to discussion on <i>Automatic Control of Marine Refrigeration Plants</i>	July	314	<i>Automatic Control of Marine Refrigeration Plants.</i> Paper by G. R. Scrine and B. A. Phillimore	October	445
AGIUS, S. Obituary	January	31	Discussion	July	299
<i>Air Consumption Data and Practical Performance of the Stork Uniflow-scavenged Two-stroke Marine Engine.</i> Paper by E. A. van der Molen and H. van der Wal	June	237	Authors' Reply	July	312
Discussion	June	256	<i>Automation of High-powered Diesel Machinery.</i> Paper by R. Munton and J. McNaught	July	316
Authors' Replies	June	268	Discussion	November	449
AITKEN, M. B. Obituary	February	80	Authors' Reply	November	479
ALCOCK, J. F. Contribution to discussion on <i>The Development of a Highly-rated Medium-speed Diesel Engine of 7000-9000 Horsepower for Marine Propulsion</i>	August	341	Autumn Golf Meeting at Grim's Dyke Golf Club	November	485
AMES, R. L. Report of meeting for the presentation of <i>Some Aspects of Marine A.C. Installations</i> to the Kingston upon Hull and Humber Area Branch	November	493	AYUB, M. A. Obituary	October	445
ANDLAW, F. V. Obituary	June	278		June	278
Annual Conversaciones: Report and photographs	February	77	BAKER, A. J. S. Contribution to discussion on <i>The Development of a Highly-rated Medium-speed Diesel Engine of 7000-9000 Horsepower for Marine Propulsion</i>	August	341
APPLEBY, G. R. Obituary	June	278	BARBER, G. P. Obituary	March	107
APPLEYARD, J. S. Obituary	February	80	BARNES, G. Obituary	June	278
<i>Application of Reliability Engineering Theory to Warship Propulsion Plants with Special Reference to the St. Laurent Class Destroyer Escorts, The.</i> Paper by D. H. Benn	531*		BARTON, E. F. Contribution to discussion on <i>Recent Developments in the Measurement of Propeller Shaft Torque and Thrust</i>	May	221
<i>Approach to Ship Performance, A Statistical</i> Paper by R. M. Duggan and R. S. Field	September	365	BASS, C. W. F. Obituary	January	31
Discussion	September	391	BAUGH, E. F. J. Obituary	July	323
Authors' Reply	September	402	BEETS, W. Contribution to discussion on <i>30 000 shp Unitized Reheat Steam Turbine Propulsion</i>	April	152
ARCHER, S. Contribution to discussion on <i>30 000 shp Unitized Reheat Steam Turbine Propulsion</i>	April	145	BELL, A. W. Contribution to discussion on <i>The Work of The Engineering Industry Training Board</i>	August	358
Contribution to discussion on <i>Investigations into the Stressing of Crankshafts for Large Diesel Engines</i>	December	513	BELL, J. Contribution to discussion on <i>Recent Developments in the Measurement of Propeller Shaft Torque and Thrust</i>	May	220
ARNOLD, H. Obituary	September	407	Contribution to discussion on <i>A Statistical Approach to Ship Performance</i>	September	397
ARTHUR, G. C. Obituary	October	448	Contribution to discussion on <i>A Statistical Model of Ship Performance in Service Conditions</i>	September	397
ASHTON, L. A. Contribution to discussion on <i>Fire Protection and Fire Fighting in Ships</i>	March	89
