

DECLASSIFICATION OF PAST ISSUES

The contents of all issues of the *Journal of Naval Engineering* before 1970 have now been declassified. That covers the whole of volumes 1 to 18 (1947-1969), as well as the *Journal's* predecessor, *Papers on Engineering Subjects* numbers 1 to 22 (1922-1946). Crown copyright still applies.

From 1970 onwards some articles in each issue remain Restricted and copies must be kept locked up. The classification of past articles is reviewed periodically.
